

## POPSICLE STICK MANGER SCENE ORNAMENT

### Materials Needed:

- Scissors
- Glue
- 4 Popsicle sticks  
(three whole and one cut in half)
- Straw-type basket filler
- Burlap or construction paper
- Ribbon

### Instructions:

Cut out the patterns on page 22.

Glue Popsicle sticks to form a manger with two halves as the sides of the manger.

Make a hanging loop with the ribbon and glue to the back of the manger ornament.

Lay the manger on top of burlap or construction paper, then trace and cut out.

Glue the burlap or construction paper cutout to the back of the manger, making sure to cover the area where the ribbon is attached with glue.

On the front side of the manger, glue the holy family pattern to the bottom Popsicle stick and the star pattern to the peak of the two top Popsicle sticks.

Glue the straw-type basket filler to the bottom Popsicle stick to create the look of hay.
